## Accessing and completing your evaluation in CloudCME

https://etsu.cloud-cme.com

The evaluation will be available after the Posttest is complete. You must select the presentations for each day you attended prior to completing the presentation evaluations and moving on to the Overall Conference Evaluation - this is how your awarded credit hours will be calculated.

- Access the posttest under 'Content & Tests' in the Conference Overview page on the CloudCME site or via the link in the email that will be sent after the conference.
- Once the posttest is complete, you will have the option to click 'Complete Evaluation' This can also be accessed in the 'My CME' section of CloudCME under 'Evaluations & Certificates'

• Click 'Complete Evaluation' for the 25<sup>th</sup> Annual Louis A. Cancellaro Primary Care Conference

• You must select and evaluate presentations attended for each day that you attended. This must be done before submitting the final overall evaluation or you will not be able to go back and select additional presentations. Awarded credit hours are calculated based on the number of presentations selected/hours associated with each presentation, so make sure you click each day and select the appropriate presentations to evaluate.
